BRITISH VALUES <ul style="list-style-type: none">Picture NewsWorshipPrayer SpacesPSHERESchool CouncilSports CouncilECO CouncilDiversity WeekSchool RulesSchool Team Events	Fundamental British Values underpin what it is to be a citizen in a modern and diverse Great Britain, valuing our community and celebrating the diversity of the UK. These are not exclusive to being British and are shared by other democratic countries. Mutual Respect - We are all unique. We respect differences between different people and their beliefs in our community, in this country and all around the world. All cultures are learned , respected, and celebrated. Mutual Tolerance - Everyone is valued, all cultures are celebrated and we all share and respect the opinions of others. Mutual tolerance of those with different faiths and beliefs and for those without faith. Rule of Law - We all know that we have rules at school that we must follow. We know who to talk to if we do not feel safe. We know right from wrong. We recognise that we are accountable for our actions. We must work together as a team when it is necessary. Individual Liberty - We all have the right to have our own views. We are all respected as individuals. We feel safe to have a go at new activities. We understand and celebrate the fact that everyone is different. Democracy - We all have the right to be listened to. We respect everyone and we value their different ideas and opinions. We have the opportunity to play with who we want to play with. We listen with intrigue and value and respect the opinions of others.

CHARACTERISTICS OF EFFECTIVE LEARNING	<p>PLAYING AND EXPLORING: Children investigate and experience things, and 'have a go'. Children who actively participate in their own play develop a larger store of information and experiences to draw on which positively supports their learning.</p> <p>ACTIVE LEARNING: Children concentrate and keep on trying if they encounter difficulties. They are proud of their own achievements. For children to develop into self-regulating, lifelong learners they are required to take ownership, accept challenges and learn persistence.</p> <p>CREATING AND CRITICALLY THINKING: Children develop their own ideas and make links between these ideas. They think flexibly and rationally, drawing on previous experiences which help them to solve problems and reach conclusions.</p>					
OVERARCHING PRINCIPLES	<p>UNIQUE CHILD: Every child is unique and has the potential to be resilient, capable, confident and self-assured.</p> <p>POSITIVE RELATIONSHIPS: Children flourish with warm, strong & positive partnerships between all staff and parents/carers. This promotes independence across the EYFS curriculum. Children and practitioners are NOT alone – embrace each community.</p> <p>ENABLING ENVIRONMENTS: Children learn and develop well in safe and secure environments where routines are established and where adults respond to their individual needs and passions and help them to build upon their learning over time.</p> <p>LEARNING AND DEVELOPING: Children develop and learn at different rates (not in different ways as it stated 2017). We must be aware of children who need greater support than others.</p> <p>PLAY:</p>					

	<p>At Bishop Lonsdale Primary School and Nursery we understand that play is an integral part of learning and this is at the heart of our early years curriculum. We believe that the correct mix of adult directed and uninterrupted child initiated play, including outdoor play ensures the best outcomes for pupils. Warm and positive relationships between staff and children, consistent routines and strong relationships with parents are key. We recognise the crucial role that early year's education has to play in providing firm foundations upon which the rest of a child's education is successfully based.</p>

COMMUNICATI ON AND LANGUAGE <i>Talk to parents about what language they speak at home, try and learn a few key words and celebrate multilingualism.</i>	<p>The development of children's spoken language underpins all seven areas of learning and development.</p> <p>Children's back-and-forth interactions from an early age form the foundations for language and cognitive development. The number and quality of the conversations they have with adults and peers throughout the day in a language-rich environment is crucial. By commenting on what children are interested in or doing, and echoing back what they say with new vocabulary added, practitioners will build children's language effectively.</p> <p>Reading frequently to children, and engaging them actively in stories, non-fiction, rhymes and poems, and then providing them with extensive opportunities to use and embed new words in a range of contexts, will give children the opportunity to thrive.</p> <p>Through conversation, story-telling and role play, where children share their ideas with support and modelling from their teacher, and sensitive questioning that invites them to elaborate, children become comfortable using a rich range of vocabulary and language structures.</p>					
ONGOING & TARGETED ACTIVITIES: <ul style="list-style-type: none"> • <i>High quality interactions</i> • <i>Daily group discussions.</i> • <i>PSHE & circle time</i> • <i>Storytime</i> • <i>Class Worship</i> • <i>Split Stories</i> • <i>Singing & Rhymes</i> • <i>Speech & Language Interventions</i> • <i>NELI Interventions</i> • <i>Voice 21 strategies</i> 	Settling in activities. Making friends and learning names. Modelling talk routines through the day e.g. answering register/eye contact. Use social phrases e.g good morning. Listening activities. Following instructions. Learn new vocabulary and use throughout the day. Talk about experiences that are familiar to them. Sharing stories.	Understanding how to listen carefully and why listening is important – introducing talking partners. Taking part in discussions. Develop new vocabulary. Using previous and new vocabulary throughout the day. Listening and responding to stories. Using story language.	Speak in complete sentences. Listening to and talking about stories to build familiarity and understanding. Retelling a story with story language. Describing events. Listen to and talk about selected non fiction. Use connectives e.g. and to develop ideas.	Describe events in detail. Introduce and model the use of time connectives. Listening carefully and asking good questions during story time and discussions. Answering and asking how and why questions. Sustaining focus when listening to a story.	Using time connectives within spoken sentences. Learning the features of non-fiction books. Selecting books containing photographs and pictures to support their learning.	Use talk to work out problems and organise thinking. Explain how things work and why they might happen. Reading books to extend their knowledge of the world and illustrate a current topic. Use the features of non-fiction books.

	<p>Listen and join in with songs and rhymes.</p> <p>Re-reading some favourite stories.</p> <p>Revisit and consolidate previously learnt vocabulary and events e.g. floor books and zone photos.</p>

PERSONAL, SOCIAL AND EMOTIONAL DEVELOPMENT	<p>Children's personal, social and emotional development (PSED) is crucial for children to lead healthy and happy lives, and is fundamental to their cognitive development. Underpinning their personal development are the important attachments that shape their social world. Strong, warm and supportive relationships with adults enable children to learn how to understand their own feelings and those of others. Children should be supported to manage emotions, develop a positive sense of self, set themselves simple goals, have confidence in their own abilities, to persist and wait for what they want and direct attention as necessary. Through adult modelling and guidance, they will learn how to look after their bodies, including healthy eating, and manage personal needs independently. Through supported interactions with other children, they learn how to make good friendships, co-operate and resolve conflicts peaceably. These attributes will provide a secure platform from which children can achieve at school and in later life.</p>					
	SCHEME OF WORK: JIGSAW					
ONGOING & TARGETED ACTIVITIES <ul style="list-style-type: none"> • Regular reference to school rules • Smileys, awards and green certificates • School team events • Talking partners and group activities • Class Worship 	BEING ME IN MY WORLD	CELEBRATING DIFFERENCE	DREAMS AND GOALS	HEALTHY ME	RELATIONSHIPS	CHANGING ME

<ul style="list-style-type: none"> • <i>Feelings games</i> • <i>Whole school initiatives e.g. Tasting Tuesday, Oral Health Workshops.</i> • <i>Use of communication and visual aids</i> • <i>Use of sensory spaces.</i> • <i>Personalised strategies</i> 	<p>I can help others to feel welcome.</p> <p>I can begin to recognise and manage my own feelings.</p> <p>I understand why it is good to have kind and gentle hands.</p> <p>I am beginning to understand what responsible means.</p>	<p>I can talk about what I am good at.</p> <p>I understand that being different makes us all special.</p> <p>I know ways that we are different and the same.</p> <p>I can tell you how to be a kind friend.</p> <p>I can tell you why my home is special to me.</p> <p>I know ways to stand up for myself.</p>	<p>I understand that if I persevere I can tackle challenges.</p> <p>I can tell you a time that I didn't give up.</p> <p>I can set a goal and work towards it.</p> <p>I can use kind words to encourage people</p> <p>I know what it means to feel proud of myself.</p>	<p>I understand that I need to exercise to keep my body healthy.</p> <p>I understand that moving and resting are good for my body.</p> <p>I know which foods are healthy and not healthy.</p> <p>I know how to help myself go to sleep and why it is good for me.</p> <p>I can wash my hands thoroughly and I know why it is important to stay healthy.</p> <p>I know what a stranger is and how to keep safe if a stranger approaches me.</p>	<p>I can identify some of the jobs I do in my family and how I feel like I belong.</p> <p>I know how to make friends to stop myself from feeling lonely.</p> <p>I can think of ways to solve problems and stay friends.</p> <p>I am starting to understand the impact of unkind words.</p> <p>I can use Calm Me time to manage my feelings.</p> <p>I know how to be a good friend.</p>	<p>I can name parts of the body.</p> <p>I can tell you some things I can do and foods I can eat to be healthy.</p> <p>I understand that we all grow from babies to adults.</p> <p>I can express how I feel about moving to Year 1.</p> <p>I can talk about my worries and/or the things I am looking forward to about being in Year 1.</p> <p>I can share my memories of the best bits of this year in Reception.</p>

PHYSICAL DEVELOPMENT	<p>Physical activity is vital in children's all-round development, enabling them to pursue happy, healthy and active lives. Gross and fine motor experiences develop incrementally throughout early childhood, starting with sensory explorations and the development of a child's strength, co-ordination and positional awareness through tummy time, crawling and play movement with both objects and adults. By creating games and providing opportunities for play both indoors and outdoors, adults can support children to develop their core strength, stability, balance, spatial awareness, co-ordination and agility. Gross motor skills provide the foundation for developing healthy bodies and social and emotional well-being. Fine motor control and precision helps with hand-eye co-ordination, which is later linked to early literacy. Repeated and varied opportunities to explore and play with small world activities, puzzles, arts and crafts and the practice of using small tools, with feedback and support from adults, allow children to develop proficiency, control and confidence.</p>					

<p>FINE MOTOR ONGOING & TARGETED ACTIVITIES</p> <ul style="list-style-type: none"> • Finger Gym • Schemas table • Sand and Water • Writing shelves • Writing bench • Graffiti Wall • Extension activities • Outdoor provision • Forest School • Physical Literacy • Target Tickets 	<p>At least two opportunities to develop the small movements listed below will be planned into continuous provision. Challenge will be planned e.g. following and cutting a zig-zag line, moving items with tweezers against a timer.</p> <p><i>Using cutlery</i> <i>Threading</i> <i>Cutting e.g. snipping</i> <i>Weaving</i> <i>Malleable</i> <i>Strengthening e.g. tweezers</i> <i>Pencil Control e.g. tracing</i> <i>Construction e.g. woodwork</i> <i>Mark making</i></p>					
<p>GROSS MOTOR ONGOING & TARGETED ACTIVITIES</p> <ul style="list-style-type: none"> • Balanceability • Forest school • Den building • Physical literacy • Target tickets • Extension activities • Lunchtime provision 	<p>At least two opportunities to develop the gross motor skills listed below will be planned into continuous provision. Challenge will also be planned e.g. putting skills into games, increasing distance between a target.</p> <p><i>Balance</i> <i>Co-ordination</i> <i>Body Strength</i> <i>Agility</i> <i>Energetic movements: climbing, running, hopping, skipping, jumping, riding</i></p>

LITERACY	It is crucial for children to develop a life-long love of reading . Reading consists of two dimensions: language comprehension and word reading . Language comprehension (necessary for both reading and writing) starts from birth. It only develops when adults talk with children about the world around them and the books (stories and non-fiction) they read with them, and enjoy rhymes, poems and songs together . Skilled word reading, taught later, involves both the speedy working out of the pronunciation of unfamiliar printed words (decoding) and the speedy recognition of familiar printed words . Writing involves transcription (spelling and handwriting) and composition (articulating ideas and structuring them in speech, before writing)					
READING COMPREHENSION ONGOING & TARGETED ACTIVITIES <ul style="list-style-type: none"> • <i>Storytimes</i> • <i>Extension activities</i> • <i>Reading area</i> • <i>Reading shed</i> • <i>1:1 reading</i> • <i>Home Reading</i> • <i>Library</i> • <i>Lunchtime Reading Ambassadors</i> 	Attitudes Enjoy listening to a range of texts that are age appropriate and beyond. Structure and Presentation: Join in when poems with predictable and repeating patterns are read aloud. Retrieval When the child is reading: With support from an adult, uses picture clues to describe what has just happened.	Attitudes Chooses to engage in book related activities or play e.g. choosing a book to read for story time, asking an adult to read a particular book to them. Inference: With support, begin to link what they are reading to their own experiences. Stamina Listen attentively and respond to what they hear when being read to. Vocabulary Use and understand recently introduced vocabulary during discussion about stories, non-fiction, rhymes and poems and during role play	Attitudes Has favourite books and rhymes and can talk about them. Retrieval When the adult is reading: Recall information from a page, which they have listened to, to answer simple questions. Fluency Begin to read some common regular/irregular words by sight recognition without sounding out.	Attitudes Begins to use story language and/or common story patterns in play or activities. Inference: Can respond to questions about what characters have said and done, including how they might be feeling. Vocabulary Show interest in unfamiliar words by asking what they mean	Structure and Presentation: Begin to recognise the difference between fiction and non-fiction texts. Retrieval When the adult is reading: Show interest by asking questions to understand what has happened in stories they have had read to them.	Connections and Comparisons: Begin to show awareness of similarities and differences between features of different stories, e.g. characters, settings, events, story endings. Summarizing: Holds conversation when engaged in back and forth exchanges about stories they know or have heard.
WORD READING & FLUENCY ONGOING & TARGETED ACTIVITIES <ul style="list-style-type: none"> • <i>At least x3 CP activities</i> • <i>Extension activities</i> • <i>Reading shed</i> • <i>1:1 reading</i> • <i>Home Reading</i> • <i>Phonics Interventions</i> • <i>Target Tickets</i> 	SCHEME OF WORK: LITTLE WANDLE

MATHS ONGOING & TARGETED ACTIVITIES <ul style="list-style-type: none"> • <i>Extension activities</i> • <i>Maths shed</i> 	Developing a strong grounding in number is essential so that all children develop the necessary building blocks to excel mathematically. Children should be able to count confidently , develop a deep understanding of the numbers to 10 , the relationships between them and the patterns within those numbers. By providing frequent and varied opportunities to build and apply this understanding - such as using manipulatives , including small pebbles and tens frames for organising counting - children will develop a secure base of knowledge and vocabulary from which mastery of mathematics is built. In addition, it is important that the curriculum includes rich opportunities for children to develop their spatial reasoning skills across all areas of mathematics including shape, space and measures. It is important that children develop positive attitudes and interests in mathematics , look for patterns and relationships , spot connections , 'have a go', talk to adults and peers about what they notice and not be afraid to make mistakes.

UNDERSTANDING THE WORLD RE Festivals Science History Geography <i>(See links to maths)</i>	The frequency and range of children's personal experiences increases their knowledge and sense of the world around them – from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains. Enriching and widening children's vocabulary will support later reading comprehension					
	RE SCHEME OF WORK: UNDERSTANDING CHRISTIANITY

EXPRESSIVE ARTS AND DESIGN	The development of children's artistic and cultural awareness supports their imagination and creativity. It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials. The quality and variety of what children see, hear and participate in is crucial for developing their understanding, self-expression, vocabulary and ability to communicate through the arts. The frequency, repetition and depth of their experiences are fundamental to their progress in interpreting and appreciating what they hear, respond to and observe. Give children an insight into new musical worlds. Invite musicians in to play music to children and talk about it. Encourage children to listen attentively to music. Discuss changes and patterns as a piece of music develops.
