

Maths

Following Powermaths- 1A.

Addition and Subtraction

Children learn to:

- Subtract by finding how many are left
- Subtract by breaking apart
- Know about addition and subtract facts
- Subtract by counting back
- Subtract by finding the difference
- Solve subtraction word problems

2d and 3d shapes

Children learn to:

- Name 2d shapes
- Name 3d shapes
- Make patterns with shapes

Numbers to 20

Children learn to:

- Count numbers
- Order numbers
- Compare numbers
- Write numbers to 20

RE - What does it mean to belong to a faith community?

We will look at belonging, and the people, places and groups whom different people 'belong' to. We will look at signs of belonging for Christians and Muslims.

Art- Mix It!

Children will practise techniques for mixing colour and experiment with colour in their own work.

Science

Animals, including humans

Children will learn that humans are animals, and mammals. They will learn about the things which all animals need to survive. They will name and label body parts, and learn about the senses.

Investigation

Pupils will investigate their sense of touch.

Childhood

Year 1

Autumn 1 2023

History- Childhood

We will talk about changes over time and use suitable words to sequence events and put them in chronological order.

We will look at our own family trees and develop an understanding of how long ago the 1950s were.

Computing- Technology around us

We will learn what technology is, identify different types of technology and discuss where we might find it. We will learn the names of the various parts of a computer, and learn about online safety.

Music- Hey You!

We will learn about pulse, rhythm and pitch through rap music.

English

Whole Class Reading:

We will read Lost and Found by Oliver Jeffers, followed by a performance poem from Poems Out Loud.

Writing:

We begin by learning about labels and captions, and writing our own simple labels for things in our classroom, and captions for photos and artefacts linked to our History topic. .

We will look at texts with predictable and patterned language, such as We're Going on a Bear Hunt, and write our own versions.

Text to use - Rhyming texts and texts with repetitive language, which children can join in with.

PSHE Safe Relationships

We will discuss families and friendships, safe relationships and respecting ourselves and others.
