Perinatal Mental Health Project

Have you or a partner given birth, gone through pregnancy, or had contact with any perinatal mental health services in Derby over the past two years? If so, then we would love to hear from you!

We are incredibly excited to announce that we are currently undertaking an important piece of mapping work. Over the next twelve months we will be taking a deep dive into the perinatal mental health services available in Derby: providing parents with an opportunity to have their voices heard and make a real difference to your services.

We will be facilitating several listening sessions and focus groups, both online and in person, to better understand your experiences, and hear your views. The QR code below will allow you to register your interest, and receive the dates for our planned sessions.

TRIPLE P ONLINE FOR BABY

Build a positive foundation for your baby, and for you

FREE IN
DERBY

Support your baby's development, and your own wellbeing

Most parents-to-be and new parents feel a mix of emotions. Welcoming a baby into your life is incredibly exciting, but also has challenging moments. There are positive ways to handle all of this! Triple P for Baby gives you skills and strategies to support your baby's development, communication, and learning. And it also helps you care for your own emotional wellbeing, which is good for your baby, too.

Why Triple P works

Triple P for Baby is part of the Triple P – Positive Parenting Program®, world-renowned and backed by research. You'll get proven parenting strategies to help you create the best environment for your baby's development, with a full toolkit of tips and ideas. And you'll learn effective ways to cope with changing emotions and relationship strains, too. Research indicates that both mums and dads who do Triple P for Baby feel happier and less stressed.

Now, there's Triple P Online for Baby, so you can set your own parenting goals, learning step-by-step whenever you like. It'll help you:

- Promote your baby's social, emotional, and cognitive development
- Be empowered and have confidence in your own choices- different options to cope with frequent crying, sleeping, partner conflict and more
- Read your baby's cues and encourage their language learning
- Take better care of your own emotional and mental health
- Enjoy life as a new parent a lot more!

START TODAY – IT'S COMPLETELY FREE!

This is a worldwide recognised programme you can do online in your own time.

WHAT IS NEURO DIVERSITY?

Neurodiversity describes the idea that people experience and interact with the world around them in many different ways; there is no one "right" way of thinking, learning, and behaving, and differences are not viewed as deficits.

If you are an adult or parent/carer with neuro diverse children, both pre or post diagnosis and would like help or advice, please contact us!

We work in partnership with other organisations to help provide the support to you need.

If you are struggling,

Please call us on 07561856320

Or

Email us on; maryam@stjamescentre.org
