This half term has really flown by. Children across the school have been involved in a whole host of extra curricular clubs including gardening, design technology, drama and tag rugby to name but a few. A huge thank you to all the staff who give freely of their time to run clubs before and after school. Our Year 6 children have completed their SATs and have demonstrated exemplary attitudes before, during and after the tests. They now have a well deserved enrichment week to look forward to after the holiday.

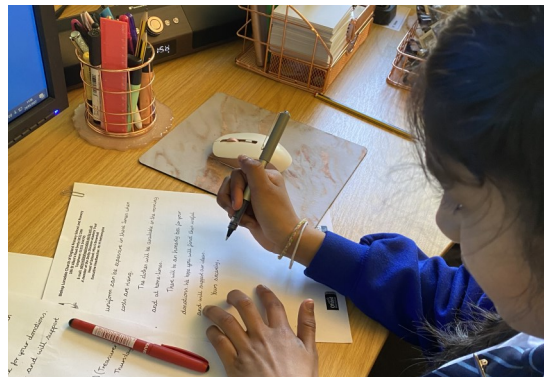

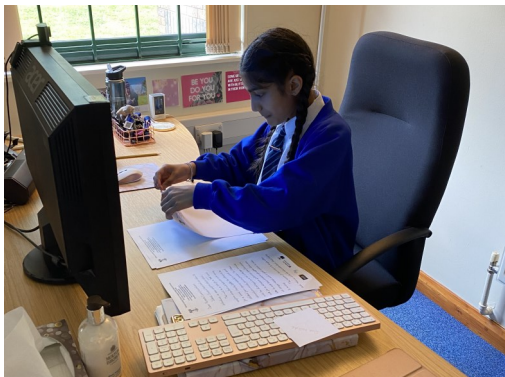

Remember tomorrow is an INSET day. We return to school on Monday 6th June. Have a restful holiday and enjoy any Jubilee celebrations you are attending.

SCHOOL COUNCIL

Our School Council meet regularly to discuss how they can improve the school. In a recent meeting, children discussed the importance of school uniform but were worried that families do not always have money to buy new items. They would therefore like to set up an affordable 'Uniform Shop' in school. This idea has been initiated by the children, so please join our staff in supporting them with this project. You will find more details in the attached letter which has been written by the secretary of the School Council. Here she is writing the letter in Miss Brownhall's office!
